To consider steps relating to NAAC grade Sheet.

### Decision

Members were presented grade sheet by Head CIRM with details of matrices where the score ranged from 0 to 1. It was also observed that University got expected score in QLM. As for QnM score was not satisfactory related to Research, Student Support, Collaboration, Consultancy and Extension services. Accordingly it was resolved that a detailed transformation in the policy domain be undertaken so as to provide incentives to faculties for achieving creditable publication and patentees. Steps be taken to go for more functional MOUs, extension activities outside the University and innovative programmes.

There being no other item the meeting ended with vote of thanks to the chair.
