At that time the lowest bidder has to submit the original EMD, Affidavits and other required documents (as asked for) at the office of the Chief Engineer, NBU. If any document is found to be forged/fabricated/false, his candidature as qualified bidder will be treated as cancelled and permission for technical qualification will be revoked. Moreover, it will be considered as an attempt to disturb the tendering process which may attract penal action against the bidder including blacklisting.
- 6) Deduction of taxes, security deposit etc. shall be governed as per prevailing Government norms (Govt. of WB) or as amended by the Government (WB) time to time.
- 7) Mobilization advance or secured advance shall not be paid to any contractor.
- 8) Payment for the work will be made on availability of fund under the respective head of account.
- 9) In case of use of major construction materials viz. cement, steel, bitumen, cationic emulsion etc which are to be supplied by the contractor, necessary test certificates (duly self-attested) shall have to be furnished to the Chief Engineer or to his representatives before using of those materials for the works, if desired so. The Chief Engineer, NBU or his representative may ask the contractor to arrange for testing of those materials at the laboratory as decided by him and the necessary testing charges shall be borne by the contractor. No additional payment will be made in this regard.
- 10) All materials required to be used by the contractor for the work are to be procured from the market by the contractor as per IS specification/as recommended and shall duly be approved by the Chief Engineer or by his authorized representative(s).
- 11) Conditional/incomplete tender will not be accepted under any circumstances.
- 12) The bidders, at their own responsibility and risk is encouraged to visit and examine the site of works and its surroundings and obtain all information that may be necessary for preparing the bid and entering into a contract for the work as mentioned in the Notice Inviting Tender, before submitting offer with full satisfaction, the cost of visiting the site shall be at his own expense.

- 13) Price adjustment in respect of any construction material will not be allowed under any circumstances for this work.
- 14) Prevailing safety norms has to be followed by the contractor, so that LTI (loss of time due to injury) is zero.
- 15) Contractor shall have to arrange plant & machineries, tools and tackles, storing of materials, labour shed, laboratory, water, electricity, site office, godown etc. required for work at their own cost and responsibility.
- 16) Site of work and necessary drawings may be handed over to the agency phase-wise. No claim in this regards will be entertained.
- 17) The contractor shall arrange for all means of transport including Railway Wagons required for carriage and supply of materials and also the materials required for the construction work. The department may however, at their own discretion grant necessary certificates, if required, for procurement of railway wagons. But, in case of failure of the department to help the contractor in this respect, the contractor will have to procure wagons at his own initiative and no claim whatever on the ground of non-availability of wagons shall be entertained under any circumstances. If railway wagons are not available, the contractor will have to depend on transport of materials by road as necessary to complete the work in time and the contractor must consider this aspect while quoting rate.
- 18) Notwithstanding the provisions made in the related printed tender form, any item of the work which can legitimately be considered as not stipulated in the specific price schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor, if so directed by the Engineer-in-Charge and the rates will be fixed in the manner as stated below: -
  - (a) Rates of Supplementary items will be analysed in the 1st instant as far as possible from the rates of the allied items of works appearing in the tender schedule.
  - (b) Rate of supplementary items will be analysed to the maximum extent possible from the rates of allied items of works appearing in the P.W. Department Schedule of Rates of probable items of work forming part of the tender document. Rates of SOR for the working area at the time of floating of N.I.T. will be applicable.
  - (c) In Case, additional items do not appear in the above Public Works Department Schedule of Rates, such items for the works will be paid at the rates entered in the Public Works Department Schedule of Rates for the working area at the time floating of N.I.T.
  - (d) If the rates of the supplementary items cannot be computed even after application of clauses stated above, the same will be determined by analysis from market rates of material, labour and carriage cost, taxes etc prevailing at the time of execution of such items of work. Profit and overhead charges (both together) at 10% (Ten percent) will be allowed only. In that case the contractual percentage will not be applicable.

Unbalanced market rates will never be allowed. Contractual percentage shall only be applicable with regard to the portions of the analysis based on clauses (a), (b) & (c) stated above only. It may be noted that the cases of supplementary items of claim will not be entertained unless supported by entries in the Work Order Book or any written order from the Chief Engineer.
- 19) Where there are any discrepancies between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate quoted shall govern. Besides, if any discrepancies found in the unit rate, the rate of item(s) shall be analyzed from rates incorporated/mentioned in the P.W. Department, Govt. of West Bengal schedule of rates for Building, S&P, Roads & Bridges, Electrical works along with all addenda and corrigenda of probable items of work forming part of tender document rates for the working area enforce at the time of NIT.
- 20) If any part of work is found to be of inferior quality than that specified in the tender or as per IS specification, reduced rate will be applicable as will be finalized by the Chief Engineer.
- 21) The contractor or his authorized representative shall sign the site order book and comply with the remarks entered therein by the representative(s) of the department.
- 22) Whatever the reasons may be, no claim of idle labour, enhancement of labour rate, additional establishment cost, cost of TOLL and hire & labour charges of tools and plants, railway freight etc. would be entertained under any circumstances.
- 23) All risk on account of railway or road carriage or carriage by boat including loss or damage of vehicles, boats, barges, materials or labour, if any, will have to be borne by the contractor without any extra claim towards the University Authority.
- 24) All materials and workmanship shall be in accordance with the specifications laid down in the contract and also as per M.O.R.T & H's specification for Roads and Bridges Works (5<sup>th</sup> revision) and IS codes and the Chief Engineer, University of North Bengal (or by his representatives) reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument machine, labour and materials as the Chief Engineer or his representative may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Chief Engineer without any extra cost. Besides this, the contractor will carry out tests from outside laboratory as per instruction of the Chief Engineer. The cost of all such tests and arrangements would be borne by the contractor.

- 25) Time for completion as specified in the tender shall be deemed to be the essence of the contract and shall be reckoned from the date of issue of letter of acceptance/work order, if not mentioned otherwise.
- 26) In case of fore-closure or abandoned of the works by the University authority the contractor will be eligible to be paid for the finished work/actual work done but not for any losses.
- 27) The contractor shall not be entitled for any compensation for any loss suffered by him/her due to delays arising out of modification of the work, drawings, due to non-delivery of the possession of site etc.
- 28) The whole work will have to be executed as per Departmental drawing (if any) available in this connection at the tender rate. And the drawing(s) may be seen from the office of the undersigned during office hours in any University's working day before submission of rate(s).
- 29) Supervision of electrical components of works will be carried out by concerned wings of the department (office of the Chief Engineer) under the overall coordination of the Chief Engineer as the case may be.
- 30) The Electrical work shall be carried out as per the specification of PWD, Govt. of West Bengal for electrical works as amended up to date and as per additional specifications and conditions for this work.
- 31) The department reserves the right to send such electrical materials to the manufacturers/authorized test laboratory to verify the genuineness and quality of product.
- 32) All concealed and earthing work shall be done in the presence of the Chief Engineer or his authorized representative for electrical works.
- 33) The contractor shall be responsible for any damage done to the building or electrical installation during the execution of the work. Damage, if any, shall have to be made good by the contractor at his own cost, failing which the same shall be got rectified/made good at the risk and cost of the contractor.
- 34) The whole work shall be carried out in engineering like manner and bad workmanship shall be rejected summarily. For redoing the job, no claim of the contractor shall be entertained on this account.
- 35) The site shall be cleared of malba, debris caused by working at site by the contractor without any extra cost to the department.
- 36) The electrical contractor will ensure that all the skilled persons managed / deployed for executing the electrical work possesses the wireman license/worksmen permit/supervisory license etc. as required for the work and such license should be from the Government/competent authorities. Consequences arising due to the default of the contractor to comply with this condition would be contractor's responsibility only.
- 37) The Tender Accepting Authority/Chief Engineer/Tender Inviting Authority reserves the right to deny or accept or reject any or all the applications and to amend/change/supplement/cancel any clause or the whole tendering process, at any point of time without any obligation & assigning any reasons what-so-ever and without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the ground for such action.
- 38) No documents will be entertained, if sent by post/courier/e-mail or any other hard form, unless otherwise asked for.
- 39) If there be any objection of any participant regarding prequalification or technical evaluation, that should be lodged to the tender inviting authority within **24 hours** from the date of publication of list of qualified agencies and beyond that time, no objection will be entertained.
- 40) If any discrepancy/contradiction arises between two similar clauses on different notifications, the clauses as stated in later notifications will supersede former one in following sequence:
  - i) Form No. 2911
  - ii) e-NIT
  - iii) Special terms & Conditions.
  - iv) Technical bid
  - v) Financial bid

In case of inadvertent typographical mistake in the BOQ / Schedule of works/ Price Schedule/rates /elsewhere, the same may be treated to be so corrected as to conform with the relevant schedule of rates and or technically sanctioned estimate.

However, if such discrepancy / contradiction in E-NIT or other documents are noticed by the applicant / intending bidder that has to be brought to the notice of the Chief Engineer, NBU for necessary correction/corrigendum. No advantage could be claimed by the agency for such inadvertent mistakes / errors after finalization of tender or during execution of works.

- 41) **There is no provision/scope of Joint Venture (JV) under this contract.**
- 42) There shall be no provision for Arbitration under this contract, provision under clause 25 of WBF No.2911 is thus considered deleted. For any discrepancies, the decision taken by the Vice Chancellor, University of North Bengal is final and binding.
- 43) **The payment will be made as and when fund is available from the concerned source.** No claim whatsoever for delay in payment, if any, will be entertained. Retention money towards performance Security amount to 10%

(ten percent) of the value of the work will be deducted from the running account bill of the tender as per prevailing order. No interest will be paid on security deposit.

- 44) The successful bidder will have to establish field testing laboratory equipped with requisite instruments in conformity with relevant code of practice and technical staff according to the requirements of works to be executed. The executing agency will have to produce satisfactory test report of all the materials of the work as well as on samples collection jointly by him and concerned authority of the Engineer-in-Charge from all completed items of works as per relevant codes of practice at his own cost from any Govt. approved / Govt. testing laboratory outside the jurisdiction of the Chief Engineer, NBU during execution of works. The successful bidder will have to bring all requisite plants and mechanical equipments and / or technical personnel and / or laboratory and field testing machineries and equipments for all the items of work as per BOQ and / or as per relevant IRC /IS codes of practice and / or as per direction of the Engineer-In-Charge and / or as per relevant PWD Schedule of Rates at the time of execution of work at site even if upon technical evaluation he is declared as “qualified” without having all the requisite plants and mechanical equipments and / or technical personnel and / or laboratory and field testing machineries and equipments at the time of submission of tender.
- 45) Adjustment of Price (increase or decrease) Vide Notification No.23-CRC/2M-61/2008, Dated: 13.03.2009 & Notification No.38-CRC/2M-61/2008 Dated 20.04.2009 shall not be applicable. Since B.O.Q. for the works under this N.I.e.T. is based upon the current schedule of rates of Public Works Directorate for Building Works(vol-I), Sanitary & Plumbing Works(vol-II) and Road & Bridge Works (vol-III) and Electrical Works as applicable, including all Addenda & Corrigendum upto the date of Technical Sanction/vetting, the bidders shall quote their rate (percentage above / below / at par) accordingly considering that no escalation and/ or price adjustment will be allowed by the department thereto under any circumstances.
