INTRODUCTION

To meet the long-felt need of a professional course in Tea Management, the University of North Bengal has introduced the Post-Graduate Diploma Course in Tea Management on self-financing basis from 1995-1996 academic sessions. M. Sc. in Tea Science was introduced in 2012. The course aims at providing theoretical knowledge as well as practical training in the fields and factories on all aspects of tea production, manufacture, marketing and trade.

OBJECTIVE

The objective of the course is to cater to the need of tea industry in respect of trained Assistant Managers or equivalent for plantation and factory.

To provide specialization and skill in the functional areas of tea plantation and management.

To help those who have already engaged themselves in Tea Plantation in the management cadre.

To contribute to the career development of individuals who would seek further advancement on the basis of professional qualification.

To train candidates in such a way as may help them get absorbed in the managerial cadre in the tea garden as well as in agrochemical and fertilizer industries closely related to tea and in tea broker firms.

FACULTY

The teachers and instructors include faculty from the Department of Tea Science, University of North Bengal, and allied Departments of the University, Professional Institutes, Research organizations, Tea scientists and senior planters with research and consultancy expertise.

CONDUCT

Any student found lacking in discipline during the tenure of this course or adopting unfair means during examinations is liable to be expelled from the course.

CLASS HOURS

Generally the theoretical classes commence at 10.30 A.M. Students will not be allowed to enter the classroom after the lecture starts. The timings and lecture schedule may change under special circumstances. Visit to tea gardens generally starts at early morning. If required, classes may be held on Sunday and other Holidays too. Student must report to the Department by 10:30 AM.

The faculty members are not bound to deliver lecture notes to the students. Lectures will be delivered following audio-visual and other teaching aids, if necessary, and it is for the students to consult the Library of the Dept. or any other Library for preparation of notes. The teachers are always ready for discussion and guidance.

EVALUATION

Evaluation is based on continuous assessment, university examination at the end of each semester and comprehensive viva-voce. After satisfactory completion of the course, grades are awarded on the basis of performance in the examinations.

ABSENCE DURING INTERNAL ASSESSMENT / EXAMINATION / VIVA

Internal assessment are arranged with prior intimation to the students. Absence during internal assessment, final examinations, *viva-voce* shall not be condoned and supplementary examination shall not be arranged for any student under any circumstances.

ATTENDANCE

75% attendance in Theory and Practical classes and 90% attendance during garden visits and 100% attendance during visit to the research centers are mandatory. There shall be no condoning of required attendance on any ground.

LIBRARY

Good collection of books and periodicals on tea and other plantation crops are available in the Departmental library. Refundable Caution fees of Rs.2000/- will be charged from each student at the onset of the course.

AUDIO-VISUAL DEVICES

Most of the lectures are delivered by power point presentation. A good number of computers are available in the department for hands on training.

PROTECTIVE CLOTHING AND OTHER MATERIALS

It is imperative for all the students to have their own rain coats, rain shoes (e.g., rubber shoes or gum boot), umbrella, shorts and caps. Each student should possess a measuring tape (preferably steel) and magnifying glass (lens). A suitable water pot (having cooling arrangement) would be useful during hot summer days at the time of tea garden visits.

TEA GARDEN VISITS

The students will be taken to adjacent tea gardens and the tea plantation of North Bengal University for obtaining hands on training on tea.

PLACEMENT

The department helps the students to get jobs in the tea gardens of Dooars / Terai / Darjeeling / Assam, bought leaf factories, agrochemical companies and allied organizations. Placement record so far is highly impressive (nearly 100%).

STUDY MATERIALS

Study materials in the form of notes in soft copies etc are provided to the students as far as practicable.
