Wifi Enabled Campus

Block Diagram

Connect with NBU Network

A phase-wise installation of Campus Wi-Fi and CCTV Surveillance system is in progress. As of now, state of the art Wi-Fi facility is available at all hostels, Library, guest houses, administrative buildings, and some of academic departments and centres. All stakeholders including Students, Scholars, Faculties, Officers, and Non-teaching staff can avail the facility using their individual authentication tokens.

All individual users should use their own authentication token to use the University Network either on LAN or on wireless or through VPN. Users can apply for the credential by simply clicking "**Apply for Campus Connect**" on https://nbu.ac.in/qls/remoteAccess.aspx

User Manual is available at: https://nbu.ac.in/doc/qls/00_NBU-Wi-Fi_Manual.pdf

Major Equipment

Equipment	Quantity
Wireless Controller	1
Access Points	254
