

BOI

Lecture Series

The Department of English, University of North Bengal, announces the *BOI* Lecture Series that will feature thinkers talking about their most recent *boi*, the book.

Boi will focus on books that have changed the field. The *boi* lectures aim to allow readers an intimate insight into the creative process, of how the featured book came to be.

The first speaker in the *boi* Lecture Series is :

Catherine Malabou

Professor,
Kingston University and
University of California,
Irvine

The *boi* in focus : *Before Tomorrow:
Epigenesis and Rationality*
Date: 23th January, 2021
