

Two-day Online Hands-on Workshop

Computational Structure-based Drug Design and Molecular Dynamics Simulations

On

Date: September 8 & 9, 2022; Time: 9:30 am -4:30 pm IST

Organized by

Department of Bioinformatics, University of North Bengal
in association with Schrödinger

Workshop Speakers

Dr. Prajwal Nandekar

Dr. Koushik Kasavajhala

Mr. Vinod Devaraji

Ms. Shelvia Malik

Outline for a 2-day Workshop

- Practical experience & in-person guidance in using the Maestro GUI
- Computer-aided drug designing that includes molecule sketching, protein selection, preparation & screening
- Molecular dynamics simulations via case studies on real-time industrial projects.

Coordinators

Dr. John J. Georrge (Head)

Dr. Subarna Thakur

Dr. Chiranjib Sarkar
