

**QUOTATION NOTICE**

Sealed quotations are invited from the interested vendors/suppliers for purchase of **fine chemicals (see attached list)** in the Department of Chemistry, University of North Bengal. All Quotations are to be submitted accompanying with GST, PAN & trade License photocopies, duly stamped and signed along with valid certificates as sole distributor/dealership, if applicable, to **DR. SAJAL DAS**, Department of Chemistry, University of North Bengal within February 28, 2020. For further query in this matter, please contact at 0353-2776381.

*Terms and Conditions:*

1. The rate shall be inclusive of all taxes (base price + taxes). However, rate of GST @ 5% and corresponding GST amount should be shown separately.
2. Quotation should be valid for at least three months.
3. All payment will be made as per financial rules of the University of North Bengal.
4. The University authority reserves the right to accept or reject any/all quotation(s) without assigning any reason and shall not be bound to accept the lowest quotation.

**LIST OF CHEMICALS**

- |   |  |
|---|--|
| 1. Capillaries Tube                         | 20. Luria Bertani Agar                   |
| 2. 4-Hydroxy cumarin                        | 21. Luria Bertani broth                  |
| 3. 4-fluoroacetophenone                     | 22. D+ Glucose                           |
| 4. Sodium sulphate                          | 23. Muller Hinton broth                  |
| 5. 2-Hydroxyacetophenone                    | 24. Yeast Extract                        |
| 6. 1,2-dichloroethane                       | 25. 4,5-Dimethyl 1,2                     |
| 7. 2-iodopyridine                           | 26. 4,4'-Dibromobenzil                   |
|   | 27. 4,5-Dichloro                         |
| 8. Potassium dihydrogen phosphate           | 28. 1,2- phenylenediamine                |
| 9. Potassium ethylxanthate                  | 29. p-Anisil                             |
|   | 30. 4,4'-dDifluorobenzil                 |
| 10. Ditert butyl hydroperoxide              | 31. Peptone                              |
| 11. Chlorosulphonic acid                    | 32. 2-Chloropyrimidine                   |
|   | 33. Silica gel for column chromatography |
| 12. Sodium Iodide                           | 34. 4-Tertbutyl phenylacetylene          |
| 13. Gloves                                  | 35. Phenylacetic acid                    |
| 14. Ammonium iodide                         | 36. Muller Hinton agar                   |
|   |  |
| 15. Palladium Acetate                       |  |
| 16. 2-Bromo-4,5-difluoro phenylboronic acid |  |
| 17. Paraflim                                |  |
| 18. Polyphosphoric acid                     |  |
| 19. Cyclohexyl acetylene                    |  |
